APPLICATION FOR PRIVATE FIRE SERVICE FACILITIES

GENERAL:

Application for Private Fire Service shall be subject to the Rules and Regulations of the Richland Township Municipal Authority of Allegheny County, specifically with respect to those sections of the Rules and Regulations governing private fire service which shall form a part of this application.

INSTRUCTIONS:

Submit the following information for review:

1. Accurate plans sealed by an engineer registered in the Commonwealth of Pennsylvania. Indicate, at reasonable scale, details and components of the fire protection system including but not limited to interior and exterior piping, construction methods and materials, location of Authority facilities and proposed method of connection, ground features and topography, existing utilities and proof of Act 289 compliance, and any other information required for Authority review.
2. Allegheny County Lot and Block maps with pertinent property owners indicated.
3. United States Geological Survey (USGS) map with project location indicated.
4. Anticipated schedule of construction including water service connection date.
5. Fire flow test results. All such tests shall be coordinated with and conducted under the supervision of the Authority.
6. Requirements set forth by insurance service companies (Factory Mutual, etc.).
