For a 2" Meter - Quarterly Rates (/1,000 gallons)

Base Rate	\$240.00
Usage Rate	9.29
Capital Improvement Surcharge	96.00*

***Capital Improvement Surcharge (as of 07/01/23):**

Beginning in Fiscal Year 2022, the Authority instituted a "Capital Improvement Surcharge" in order to fund its Five-Year Capital Improvement Plan. The capital requirements contained in the budget are based on estimates. The Authority will need to evaluate the water use charges annually to ensure adequate revenue is available to fund the capital requirements and still meet any and all debt service requirements.

Annual Fire Protection Charges:

Public Fire Hydrants	\$300.00
Private Fire Hydrants	300.00

Annual Private Fire Protection Fees:

2-inch line	200.00
4-inch line	300.00
6-inch line	700.00
8-inch line	900.00
10-inch line	1,200.00

Tapping Fees and Connection Fees:

In accordance with the Comprehensive System Valuation and Act 57 Tapping Fee Calculation, tapping fees and connection fees for new service applications, except for applications by non-residential, multi-residential and non-standard residential shall be as follows:

3/4 inch	\$4,450.00
1 inch	4,569.00

Tapping fees for new service applications for non-residential, multi-residential and non-standard residential that connect to the system without extending the waterline shall be in accordance with the Comprehensive Water System Valuation Report and as follows:
